# 2019-20 President's Report

Gday Grovers,

Well what a year it has been, from starting the year not knowing how long we would last because of drought, to being cut off early because of a worldwide pandemic. WOW!! Who would've seen that coming?

I'll be honest and say I had no intention of taking on the president role, I told Schaef that I couldn't make the first AGM of the year and next thing I know, he's nominated me for it and I've gone uncontested. So I took it on not really having any idea on how to do it, but I knew with the support of everyone on the board I'd manage. A big thank you to former Pres Mike Stace. Mike helped me out a lot this season and I probably owe him a beer or two. Another big thank you should go out to John and Kris Croft, they always put in a massive effort with this club every season and the club would not be the same without them. And to the rest of the board members and regular attendees of our monthly meetings thank you for your efforts as well.

To the cricket.

1st grade - from starting the year on a cake tin sized field that is TAS or the Lightning quick outfield of Guyra, where scoring 300 on these grounds and feeling like it might not be enough. To finishing the season at the sports ground where it was tough to hit it off the square and scoring 150 you'd feel pretty confident. Not being able to chase down 80-odd in the semi was a pretty tough pill to swallow to finish the season, but that's cricket right?? Well done on the season boys, was great fun playing with all of you and can't wait to start again next season.

2nd grade - Congratulations to Dave and the boys, a different season for you all never having to play on turf wickets and normally playing side by side with our thirds, sometimes nearly sharing boundary markers even. A great effort getting to the semis guys well done!!

3rd grade - Our most successful side for the year being joint premiers. Not a bad effort for your first year back Sharmo after being out of the game for a few years. It's a shame how the season finished but you boys should be proud of the effort for getting that far. Well done lads!!

I hope everyone stays healthy and safe in these trying times.

Cheers Dick Heagney

# Hillgrove Colts History

## Hillgrove Colts Cricket Club Perpetual Trophies

### **Peter Hickey Memorial Trophy**

The Peter Hickey Memorial Trophy for the player most likely to succeed, is in memory of the late Peter Hickey who played 1<sup>st</sup> grade for the club for approximately 10 years during the late 1970's to the late 1980's. He was an exceptionally talented bowler, and had been on a world tour with the Northern NSW Emu's Cricket club in 1974. The trophy was donated by his family after his untimely death in 1991.

### **The Royal Hotel Trophy - Clubman of the year**

The royal hotel trophy for clubman of the year would've been donated by Joe Barbato the owner and publican of the Royal hotel. They were our club sponsors for approximately 10yrs in the late 80's early 90's. Joe himself never actually played cricket for Hillgrove, however his son Peter played in the lower grades for the grove.

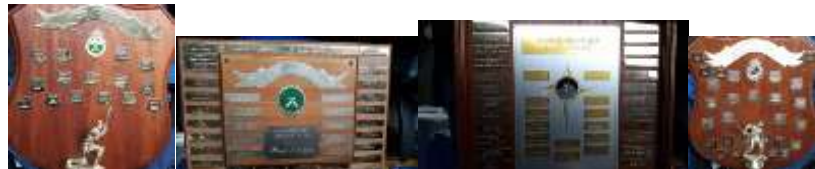

### **Tom Dye Memorial Trophy - Player of the Year**

The Tom Dye Memorial Trophy for the Player of the Year is in memory of the late Tom Dye who was one of the club's early players during the 50's. Tom was a wicketkeeper and up until his passing he was a patron and a very keen supporter of Hillgrove Colts Cricket Club.

### **The Harry Browne - Spirit of Cricket Award**

Donated by life member Harry Browne. Harry was an exceptional batsman, coach and role model for many of the young players of Hillgrove Colts Cricket Club. Harry donated this trophy for not necessarily the best player in the club, but for a player that plays hard and fair in the true spirit of the game.

# 2019-20 Second Grade

## Second Grade Captains Report

The 2019/20 cricket season was always going to be an interesting one. Due to the worst drought on record and the subsequent water restrictions, turf pitches were unable to be prepared and all 2nd grade matches were to be played on synthetic wickets. Not all bad, the game is still called cricket.

The new season again brought a new look Second grade side with many youngsters and their dads stepping up to the challenge from last years 3rd grade premiership winning side.

But what a disrupted season it ended up being. It started with a bye, don't get me started on byes, personally they should be saved for the off season! Also in the driest season on record we suffered from 4 washouts..., no cricket on Australia Day weekend and a non event super 8's comp scheduled on a round game Saturday . These disruptions contributed to a lack of cricket. At one point we went 6 weeks without a game from the 11th of January, where we beat Easts, to the 22nd of February with a win over Easts again. Did I mention we beat Easts a lot!! We ended up playing only 8 games in 15 rounds plus 2 games in the finals.

Back to the cricket. With a couple of early wins on the trot our new look side was proving it had what it took. Unfortunately due to player unavailability, which became a problem throughout the season, we had to make 8 changes for our next game going down with a hard fought loss to TAS.

2nd grade ended up naming 38 players to fill our side this season. That has to be a record. I would like to thank everyone who stepped up and filled in when needed. A special thanks to the following who filled in on many occasions.

Jono Schumack- always happy to do what ever is asked, giving his all.

Jimmy McDermott- took catches, handy with the bat and a great supporter throughout the season.

Mitch Duddy- definitely a 'big things come in small packages' kind of guy, lives and breaths cricket and an up & coming talent.

Regardless of the side available I could proudly say our cricket was always played with enthusiasm and in a sporting manner.

We brought the season home with some momentum, firstly with a win over Easts. This was thanks to some key performances. One from Ryan Harris with the ball, bowling his first spell of 5 overs, 1 for 1, finishing later with 2 for 4 off 7 claiming their top batsman of the day. Another performance coming in the form of some rearguard action with the bat and a game winning partnership from TB (23no) & Darcy McDermott (13no)

In our last round game vs TAS and arguably our best all round team effort for the season, bowlers - Darcy, Sheeraz, R Harris & Dave Moffitt bowled tight lines with Harris delivering a ripping bouncer to unsettle the inform C. Litchfield & balls later bowling him. Sheeraz with rabbit frightening accuracy throwing down the stumps with 2 run outs, then batsmen R. Simpson, J. Simpson, S. Baker & Cuz making contributions to chase the total down inside 32 overs. A great win.

Semi final time vs City. We again made the most of our chances and bowled well. Simo managed a hat trick when the City Skipper shoulder arms a ball that took the top of off. At one stage City lost 6 wickets for only 2 runs & were dismissed for 51. We easily chased the total down inside 15 overs with the loss of 2 wickets.

The Preliminary final vs TAS was always going to test our form and with many missed chances in the field they capitalised and got away, 265 proved too many to chase down and we were dismissed for a 174.

## Player profiles

Dave Waters - Skipper, bats where needed & rolls the arm over occasionally.

Ryan 'Sparrow' Simpson - found himself opening the batting. When he was hot he was smokin' cricket balls to & over the boundary. Top score of 107no & takes out the batting aggregate with 263 runs @ 43.83.

Sheeraz Ahmad - loves to get the ball in hand or the pads on, and can throw the stumps down. Takes out bowling aggregate with 12 wickets @ 21.25.

Jerome 'Simo' Simpson - Known for his ability with the bat but when thrown the ball provided just what was needed. Accuracy and craftsmanship made up for over exertion & long run ups. Did anyone hear he got a hat trick?

Scotty Baker - versatile middle order bat making significant contributions (48, 43no & 27) when needed. Offers sound advice & a genuine team man.

Darcy McDermott - The quiet assassin with a bullet like arm from the deep. Always gives his all and bowled much better than his figures suggest. Capable bat & voted 'Players Player' by his team mates says it all.

Ryan 'Bruce' Harris - A big fella that grew in confidence & ability this year. He started out filling in for us but really earned his spot stepping up with some outstanding bowling spells. A regular at training & often the first to the ground. A well deserved recipient of the 2nd grade 'Captains award'.

Tony 'TB' Butler - always available and a valuable inclusion in the side, appreciated his wise advice and his ability to get the boys to rally together.

Sam Sewell - Joined us late but provided much needed stability in the top order. Always first to keep TB honest with his keeping technique.

Ryan 'Swanny' Swann - Quietly goes about his business, always brings a supporter or 3!

Hamish 'Bidds' Biddle - Tall, lean bowling machine, too often borrowed by First grade, an up & coming bowling allrounder.

Dave Moffitt - Plays cricket the Hillgrove way, sets the bar high & super competitive. Swings it both ways & makes it difficult for batsmen.

Ben 'Crispy' Heagney - has the talent, just add time & opportunity.

Congratulations to 3rd grade for making the Grand Final. It's a shame the season ended like it did but an unusual end to an unusual season.

A big thanks as always to the executive for the hard work done behind the scenes to keep this club functioning. To Anthony Stewart for your extra efforts getting teams on the park each Week. To my wife & family for making it possible for me to play each Saturday & for putting up with the barrage of phone calls & texts. Finally to regular supporters, parents, wives, girlfriends & families thank you for your contributions also.

Gents, thanks for the cricket, comradery and banter. Bring on next season!

Soo the Grove. Dave Waters

HCCC Presentation Last Year

# 2019-20 Social & Representative

Kebab night is probably my favourite social event on the cricket calendar, it provides a great casual occasion for all the players and their families to mingle and. Once again the Curries generously donated their house to the club for our "Kebab night with a difference". It was a good turn out this year and it was well policed by a group of small militant children demanding payment before people even got out of the car. This ensured we did not have a repeat of last year when we forgot to take cash from those who turned up, with the exception of Stu Maxwell who was the only person to pay that year.

This year the evening was on the cool side but a fire was quickly established and provided a warm place for people to talk about the season we had. Some amazing deserts and salads were provided by the players (or more likely by their wives) and went well with roast, pork spit roast, snags and ...nobody went hungry that's Many families turned up this think that is a great thing for important to make our families club, so that they let us 6-8 hours on a Saturday summer ☺

Friday night raffles at the great occasion for a team to for a few quiet drinks on a afternoon, it has the added

potentially taking home some cheap meat whilst also making money for the club so that we can cover umpire fees throughout the season. In previous years this has been well represented by the club, but I think this year with the exception of 1<sup>st</sup> grade it was generally a struggle to get more than 1 person to the pub to sell raffle tickets. The unfortunate reality here is if we can't get players to the grand to run the raffles then we will lose the opportunity to run them and players will then have to pay umpires fees next season on top of their usual fees. So why not get together with a few mates, have a beer or lemonade, maybe stay for dinner and help the club because all 100% of money raised there goes back to the players.

Unfortunately, this year with the social distancing requirements due to COVID-19 we were unable to hold our presentation night, whilst this is a big disappointment and caused an abrupt end to our playing and social seasons, it will hopefully make some of the awards handed out next season more valuable.

Cheers
